

## VALUATION INFORMATION

Your property was valued as it existed on January 1 of the current year. The value of residential property is based on the market approach to value. For property tax year 2023, the actual value of residential real property is reduced by \$15,000. Generally, the value of all other property is based on consideration of the market, cost, and income approaches to value. For property tax year 2023, the actual value for commercial improved real property is reduced by \$30,000. The appraisal data used to establish value is from the 18-month period ending June 30, 2022, § 39-1-104(10.2)(a), C.R.S. If insufficient data existed during the 18-month data gathering period, data from each preceding six-month period (up to a period of five years preceding June 30, 2022) may be utilized, § 39-1-104(10.2)(d), C.R.S.

"Improvements" are defined as all structures, buildings, fixtures, fences, and water rights erected upon or affixed to land, whether or not title to such land has been acquired. Most property in Colorado is revalued every odd-numbered year § 39-1-104(10.2)(a), C.R.S.

If you would like information about the approach used to value your property, please contact the Adams County Assessor's Office.

If a property owner does not timely object to their property's valuation by June 8, they may file a request for an abatement, please contact the Adams County Assessor's Office.
